Au Contraire!

MONTREAL

The Centre Lifeline Benefit Gala was an innovative collaboration with Au Contraire Film Festival. Over 200 moviegoers enjoyed the Quebec premiere of *Krishna* followed by an engaging Q&A with lead actress Krishna Fairchild and CJAD 800's Dr. Laurie Betito. The evening raised over \$40,000 in support of Centre Lifeline, helping those affected by addiction and where no one is turned away due to financial circumstance. ■
